H05 INDUSTRIAL JUMP STARTERS

UNLIMITED JUMP STARTS

Rugged Design, Extreme Power Delivery

A truly mobile jumpstarting solution for professionals that has unlimited jumpstarts.

Quite simply the **smartest, safest and most portable** range of jump starters ever made. With ultra-safe Lithium Iron Phosphate (LiFePO4) batteries and patented RRT (Rapid Recharge Technology), Intelli-Start jump starters are unlike anything else on the market.

RAPID 40 SECONDS RECHARGE

HIGH PERFORMANCE AND MAXIMUM SAFETY

All models have a higher level of performance and commercial build quality with specially developed cranking batteries and unique, patented technologies. After being connected to the started vehicle RRT replenishes the charge within 40 seconds.
